

Administrative Disposal Schedule for Buildings, Equipment and Vehicles Management Issued under the National Archive and Public Records Law (2010 Revision)

Approved on 17 December 2010

# **Disposal Schedule for Administrative Records**

Schedule no 5	CINA file no GRM/RMT/01/05
Title of Schedule	Administrative Disposal Schedule for Buildings, Equipment and Vehicles Management
Scope	This disposal schedule sets the retention periods for the buildings, equipment and vehicles management administrative records of all public agencies.

Application	This disposal schedule applies to all public agencies as defined in Section 2 of the National Archive and Public Records Law (2010 Revision), (NAPRL). It covers the administration of the agency's material resources; manages agency's buildings, equipment and vehicles to facilitate normal business operations; acquires and maintains premises that are built, purchased or leased by public sector agencies; acquires and maintains equipment and stores - major and minor; and acquires and maintains most types of vehicles commonly operated by public sector agencies.
-------------	--

Authority	This disposal schedule is issued under Section 7(1) of the <i>National Archive and Public Records Law (2010 Revision),</i> (NAPRL) and has been approved by the Deputy Governor.
-----------	--

	Issued	Director, Cayman Islands National Archive
--	--------	---

Guidance Notes	1. This disposal schedule includes:
	<ul> <li>project management</li> </ul>
	<ul> <li>motor vehicle accident reporting</li> </ul>
	<ul> <li>hiring, renting and security activities.</li> </ul>
	<ol><li>This disposal schedule excludes the operational records of:</li></ol>
	Public Works Department
	Department of Vehicle and Equipment Services
	<ul> <li>Lands &amp; Survey Department or other agencies responsible for centralised buildings, equipment and vehicles management functions.</li> </ul>
	Such bodies will likely find the guidance informative. However, their records should be included in the <i>operational</i> file plan and disposal schedule for the relevant public agency.
	<ul> <li>Also excludes records relating to the management of aircraft, as specific business rules apply to their management and should be included in the operational file plan and disposal schedule for the relevant public agency.</li> </ul>
	<ol> <li>Agencies that manage vehicles having specific operational or regulatory requirements for maintenance and inspection should determine whether there are additional retention requirements that apply to records of these vehicles.</li> </ol>
	<ol> <li>The FOI access column is included, to show how the file plan can be linked to other records management rules and tools.</li> </ol>
	Information Managers should examine their records against the requirements of the <i>Freedom of Information Law</i> and any guidance provided by the FOI Coordination Unit of the Cabinet Office.

#### Index

This index lists the functions, activities, records series and key words that are used in the administrative file plans and disposal schedules.

FUNCTIONS are shown in bold upper case.Activities are shown in bold italics.Records series are shown in bold.key words are shown in plain lower case.

Words are listed in alphabetical order, followed by the suggested reference code.

Each entry suggests a relevant Activity or Records Series for filing particular records.

These references should be used as a guide only.

For more information about filing particular records, check the scope notes in the detailed (or "long-version") administrative disposal schedule.
